

Move-in is coming quickly! Thank you for your patience these past few weeks as we've made adjustments to our move-in process due to the recent wildfires in Kelowna.

## 1. Connecting with Roommates

- Looking to connect with your roommate? Log in to your [Online Housing Service Centre](#) and navigate to "Residence", "Before Moving in" and then "Contact Room/Unit Mate".
- Interested in a different room? Please log on to our [Room Switch Forum](#) and connect with another student who aligns with a room swap.

## 2. Have you signed up for a Move-In Day Time Slot?

All residents must sign up for a Move-**in day time slot**. If you haven't signed up yet, please do so today. [SIGN UP HERE](#) in Day time slot [here](#). If you plan on arriving after 4:30 pm on Sunday, come to the front desk in Nechako - it's open 24 hours a day!

## 3. Last chance to get your UBCcard

The deadline to apply for your UBCcard in time for Move-In Day has been extended to **Thursday, August 31**. This is especially important if you are on Meal Plan as your UBCcard is your access to Pritchard Dining Hall. Visit [Card Services](#) to complete the online application.

## 4. What should I pack and do to prepare now?

- Our [Before You Leave Home page](#) is a useful resource that includes your important pre-move-in checklist.
- For what to pack (like bed linens), what's already supplied by Student Housing (shower curtains), and what is prohibited (like hot plates), visit our [What to Pack page here](#). Don't forget to **mark all your boxes** with your name, building and unit number.
- All residents are encouraged to aim for a litter-less move-in. If you waste after unpacking, please take them with you or bring them to the free Recycling Drop-off station at the Glenmore Landfill, which is located adjacent to our campus.

## 5. Important info about Sunday

We realize you may still have lots of questions about your move-in day. Our [Fall 2023 Move-in Day page](#) includes more information about how Sunday will work.

### Who can come with me?

- Students are invited to bring up to **two people** and **one vehicle** to help them move in. If you are arriving with a vehicle, one driver must stay with your car while you are unloading. Volunteers will also be located at all residence buildings to help you unload and move in!
- Trailers and boats are not permitted. If you are coming with an oversized vehicle you will be required to leave it in H Lot's overflow parking prior to check-in.
