## Happy August, and welcome to your Move-in email #2!

We'll be sending weekly emails with important information regarding your move-in day, and what to expect when you arrive at residence. Here are four things you need to know this week:

### 1. When can I move in?

- **Current Summer Students:** Your migration dates (to move to your winter residence) are August 20 and 21. We'll email you with more on that later this week.
- **Jump Start and Early Arrival Students:** Aug. 26 & 27. Only residents with approved [early arrival](#) due to orientation programs (like those participating in Jump Start) and early academic programs, etc. are permitted to prior to Sept. 3.
- **All other Residents:** Your move-in day is Sunday, September 3. You'll receive an email later this month inviting you to sign up for a move-in time slot.

### 2. Apply for your UBCcard

Your UBCcard is your meal plan, bus pass, printing account and ID!

Visit [Card Services](#) to apply online. Make sure you select 'UBC Residence - Yes'. Your photo must be a colour headshot with clear view of your face (no hats) on a plain background.

**\*\*If you want your UBCcard to be included in your Move-in Package, your photo must be received BEFORE midnight, Monday, August 21<sup>st</sup> (for Jump Start and other Early Arrival students), and Sunday, August 27<sup>th</sup> for all other incoming residents.\*\***

**Meal Plan students:** You need a physical UBCcard to enter Pritchard Dining Hall.

### 3. Meal Plans and Food Services

If you're assigned to a first-year residence, you'll be signed up for the All-Access Meal Plan as part of your Student Housing Contract. This lets you eat as often as you like at [Pritchard Dining Hall](#) – located in Nechako Residence. Other Meal Plan options are available for residents who are not on the mandatory All-Access Meal Plan.

- Learn more about [UBCO's meal plans](#).
- Curious about all-you-care-to-eat dining at Pritchard? [This page](#) will give you all the details!
- Questions about dining on campus? Want to connect with our Nutritionist? Reach out to [Food Services here](#)

### 4. Third Party Authorization

To grant a third-party (such as a parent or spouse) permission to access your information, you must go to [Student Service Centre](#) and select Personal Information > [Third-Party Authorization](#). If this step is not completed, we won't be able to help anyone but you with anything regarding your account.

### Room assignments

We know you're probably excited to know your room assignment! We're working hard to finalize those details, and will be emailing you in mid-August with your room assignment. Information on room types can be found [here](#).

### Cancellations

If you no longer need residence on campus please [cancel your housing offer](#) immediately through the [Online Service Centre](#) to open up space for those who do require housing.

### What's coming next...

Check your inbox again next week, when we'll email you more info about:

- What to pack, and what to leave at home
- Applying for parking (if you need it)
- Ordering bedding, and shipping packages to residence
