Your Move-in email #2!

If you missed the previous emails you, can find them [on our Move-in Page!](#) Here are four things you need to know about move-in this week:

Here are four things you need to know this week:

1. Apply for your UBCcard

Your UBCcard is your meal plan, printing account and student ID! Visit [Card Services](#) to apply online. Make sure you select 'UBC Residence - Yes'. Your photo must be a colour headshot with clear view of your face (no hats) on a plain background.

****If you want your UBCcard to be included in your Move-in Package, your photo must be received BEFORE midnight, Monday, August 21st (for Jump Start and other Early Arrival students), and Sunday, August 25th for all other incoming residents.**** **Meal Plan students:** You need a physical UBCcard to enter Pritchard Dining Hall.

2. Meal Plans and Food Services

If you're assigned to a first-year residence, you'll be signed up for the All-Access Meal Plan as part of your Student Housing Contract. This lets you eat as often as you like at [Pritchard Dining Hall](#) – located in Nechako Residence. Other Meal Plan options are available for residents who are not on the mandatory All-Access Meal Plan.

- Learn more about [UBCO's meal plans](#).
- Curious about all-you-care-to-eat dining at Pritchard? [This page](#) will give you all the details!

- Questions about dining on campus? Want to connect with our Registered Dietitian? Reach out to [Food Services here](#)

3. Third Party Authorization

To grant a third party (such as a parent or spouse) permission to access your information, you must login to your [Workday](#) account and follow the steps outlined [here](#). If this step is not completed, we won't be able to help anyone but you with anything regarding your account.

4. Room Assignments

We know you're probably excited to know your room assignment! We're working hard to finalize those details and will be emailing you in mid-August with your room assignment. Information on room types can be found [here](#).

Cancellations

If you no longer need residence on campus please [cancel your housing offer](#) immediately through the [Online Service Centre](#) to open up space for those who do require housing.

What's coming next...

Check your inbox again next week, when we'll email you more info about:

- What to pack, and what to leave at home
- Applying for parking (if you need it)
- **Ordering bedding**
- Shipping packages to residence
